ADULT CHRISTIAN EDUCATION

Rome, the "Eternal City," has been a sacred place and internationally important city since ancient times. Rome's history extends nearly 2,800 years, during which time it has been the seat of the Roman Kingdom, the Roman Republic, the Roman Empire, the Papal States, the Kingdom of Italy and the Italian Republic. Christians arrived in the 1st century AD, and Rome has been the centre of Catholic Christianity ever since. Rome's abundance of ancient temples, synagogues, churches and shrines make it a fascinating city to explore.

A short course exploring Rome's history and present day Rome in relation to Christianity will take place on the dates below:

February 2nd – Background to the City of Rome,
Rome and the Early Christians

February 9th – Rome and the Church down the Centuries
February 16th – Rome and Christianity today

Each evening will begin at 7.30pm and end by 8.45pm
